

iPARTS

EMPOWERING TECHNICIANS WITH PREMIUM PARTS AND ESSENTIAL RESOURCES.

To maximize uptime and productivity, you need fast, easy access to replacement parts for your forklifts and other material handling equipment. With Raymond's exclusive iPARTS® web portal, you can search and order parts 24/7, and any order will be processed and fulfilled through your local Solutions and Support Center for fast, reliable delivery.

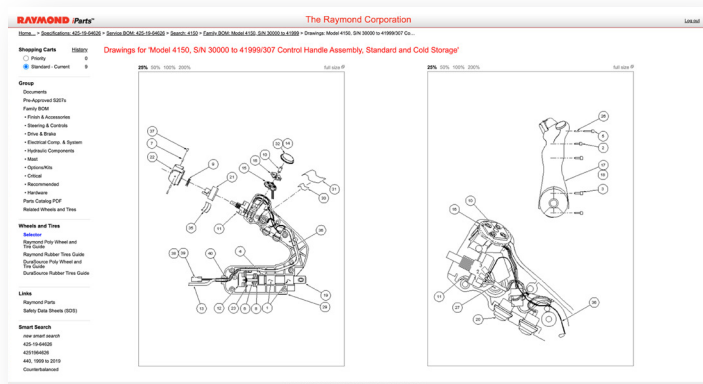

iPARTS CAPABILITIES

- + Instant access to the latest parts information on Raymond® products, including manuals, service bulletins, data sheets, and more.
- + Multiple search capabilities to help you quickly find the right parts for a specific truck or piece of equipment.
- + SmartSearch feature that allows you to customize and save reusable searches for your fleet.
- + Comprehensive, intuitive interface that lets you:
 - Search for parts by truck, model, part number or description
 - View equipment illustrations for parts identification
 - View parts catalogs and maintenance manuals
 - Order parts 24/7 using the shopping cart
 - Check parts pricing and availability

ONE-STOP PARTS SHOPPING FOR:

- + Raymond Trucks
- + Other Forklift Brands
- + DuraSource® Products
- + Most Commonly Utilized Material Handling Equipment
(constantly expanding catalog)

For faster, easier, more personalized parts ordering, the iPARTS Service Bill of Materials (BOM) shows schematics for each of your truck models, including part numbers, descriptions, illustrations, photos, and part quantities required.

For more information or a demonstration of how iPARTS could help keep your equipment—and business—running, please contact your local Raymond Solutions and Support Center.
